10. (Secret - JGO) Met with Mr. Robert Michaels, House Appropriations Committee staff, and provided a copy of the OSR Study of the Soviet Defense Budget. This paper was developed in response to earlier briefings provided Mr. Woodruff, Senate Appropriations Committee staff, and Mr. Michaels. After reviewing the paper, Mr. Norris posed the following additional questions and requested such advice as is available on it: (a) the economic import, if any, on foreign ship registrations; and (b) the amount of control exercisable by the Government on ownership or activities of vessels flying the Liberian flag and possible effects on ships flying the Liberian flag of a takeover by a political regime hostile to the United States.
